School unification

Fred Bewley, assistant superintendent of schools, Los Angeles county and chairman of the county school district re-organization, met with a large crowd of school personnel and citizens to report on the possibility of school unification in the west end area.

Unification of schools, has been a controversial issue for some time. Under unification, elementary schools would be combined with high schools under one superintendent. The move would eliminate the Chaffey Union High School District. Bewley, proposed a two-way split, north and south. The north district would consist of Upland, Mt. Baldy, Alta Loma, Central, part of the Cucamonga district and all of Etiwanda. The south district would contain part of Cucamonga, Ontario-Montclair, Guasti and Mountain View. The north district would have \$9,265 behind each child and the south district would have \$7,422. Some group of Cucamongans asked the split be made three ways. No action was taken at Monday's meeting.

Orum named to Barstow post

Former superintendent of the Upland School District has been named assistant superintendent for business services for the Barstow Unified School District. He was introduced during a board meeting held last week. Orum, who was re-assigned by the Upland school District trustees effective July 1, still had a year to go on his \$24,654 contract. School officials in Upland have announced the matter is being investigated. The district hopes to name a new superintendent before the opening of school in September.

Elected to serve as president of the board of trustees for the 1970-71 year was Bill Rugg. Serving with him are, Dorothy Gibson, vice president, Dr. John Skewins, clerk and Harvey Stone, board member representative who shall have one vote in electing a member to the county committee on school district organization.

Postman rings no more

Retired postman Clyde Mackall plays with Penny, their 8 month old pup, while relaxing in front yard of the Mackalls'

home. A former resident of Charter Oak, he began his post office career in San Dimas after completing a tour with the Navy

'Ideal job', says carrier

Clyde Mackall, 67, retired the other day from what he considered an ideal job.

"People were very friendly. It's been a big joy -- a lot of satisfaction -- to have the feeling that you were liked," he notes.

Well, for the last 13 years of his 24 years with the Post Office Department, Mackall made a lot of friends on his postal route in San Antonio Heights. And he considers people the most important part of his job.

Asked what he like best, he replied: "The acquaintanceship of the people that I served. Everybody's been so nice and friendly."

Service was a big part of the job, too, Mackall explains. Up until about six year ago, the postal route he had was a rural one. This amounted to being a traveling post office, whereby he not only delivered letters and parcels, but also sold stamps, money orders and other services offered at Post Office buildings.

Fresh out of the Navy, Mackall started working for the Post Office July 16, 1946, in San Dimas. He and his family moved to Upland approximately 13 years ago, and he started the San Antonio Heights route as a rural carrier. Rural Free Delivery was run as a department separate from city delivery, Mackall explained, "and

it took almost the same procedures to get a rural free route as if you were applying for a postmastership," he said.

The job also required him to provide his own supplies, including his own transportation, and his own substitute who could take over in case he got sick.

"I tried out 37 men," he recalls. "I never did get a substitute." His "substitute" turned out to be his wife, Ruth, who took the route for him several times. And occasionally during Christmas time they went on the route together. "The heavy volume of mail then required two of us," he said.

What about dogs, the stereotyped foe of meter-readers and postmen everywhere? "I've been bitten any number of times," he acknowledged. "I've had rabies shots, too."

"I remember one dog jumped me and got my hand just as I was closing the box. But I was never afraid of them. I just bluffed my way through."

The longtime postman obviously never learned to dislike dogs. Sharing the family home at 2378 Park Boulevard is a very exuberant puppy named Penny who latches onto visitors the way a kid gloms onto a favorite toy.

It was unfortunate that Mackall had to tangle now and then with dogs less friendly than Penny.

Now starting his retirement, he will have more time for his photography hobby. Mrs. Mackall is active in the California Federation of Women's Clubs - San Bernardino District. Their daughter Susan works for the Pomona Public Library.

Mackall said he'll miss his postal patrons, many of whom became friends. And a number of calls came into The Upland News office from customers saying they're going to miss him, too.

City receives moneys

State Controller Houston I. Flournoy announced the distribution of \$129,412,909 among the state, cities and counties as the May apportionment of highway users taxes.

San Bernardino County's share was \$469,496.50 and Upland city's share was \$17,686.31.

A total of \$12,471,759 went directly to the counties; \$9,332,822 to cities; and \$107,639,651 for expenditures on state highways.

The total was derived from the following sources: gasoline tax \$44,985,055; transfer from the Motor Vehicle Fund, \$80,000,000; diesel fuel tax \$2,870,668; transfer from the Motor Vehicle Transportation Tax Fund \$1,555,873.

The apportionment was \$57,768,907 greater than that for the preceding month. Total gasoline tax income for the May apportionment dropped \$2,286,411 from the prior month, diesel fuel tax increased \$32,646; transfers from the Motor Vehicle Transportation Tax Fund increased \$222,511; and transfers from the Motor Vehicle Fund went up \$59,800,000.

The distribution was \$1,867,243 less than that for May 1969. The gasoline tax gained \$2,619,274 over a year ago, the transfer from the Motor Vehicle Transportation Tax Fund gained \$345,318, the diesel fuel tax gained \$168,685, but the May transfer from the Motor Vehicle Fund dropped \$5,000,000 off the May 1969 level because of an advance transfer made from the fund in April.

The Kiwanis Club of Upland

The third annual observance of Family Reunion Day will be held Sunday, August 9, throughout the United States and Canada, according to Orville Garrison, president of the Kiwanis Club of Upland.

Family Reunion Day, which is being sponsored jointly by Kiwanis International and Freedoms Foundation at Valley Forge, is a program for all people, Garrison said. Its purpose is to dramatize the family as the keystone of the nation's strength and morality, he added.

He went on to explain that people in both the United States and Canada are being encouraged to plan old-fashioned family get-togethers, dinners and picnics.

There is no formal, nationwide program. Instead, it is hoped that individual families will use Family Reunion Day to become better acquainted; to "get the family up-to-date" on addresses, birthdays, anniversaries, deaths, and significant events; to arrange patriotic activities; to familiarize young members of the family with sacred historical documents; and to emphasize the role of children as the heirs and potential leaders of the future.

Although Kiwanis International and Freedoms Foundation originated Family Reunion Day, dozens of other organizations are participating in it again this year. These organizations include men's and women's service groups, youth groups, farm organizations, church groups, labor organizations, professional societies and the like.

She's the tops

Boy Scout hikers take to the trails

Boy Scout Troop 622, which was first chartered as Troop 2 in 1961 (then sponsored by the Upland Elementary PTA), has recently been reorganized by Clay M. Ambrose, an experienced Scoutmaster who has held Scouting posts in the U.S. and Germany. The Troop is now sponsored by the Upland Foothill Kiwanis Club of Upland.

Over the next six years the Troop has planned 5,493.8 miles of hiking trails. These trails include: two training hikes of 5 miles each, two National Forest hikes of 14 miles each, two National Parks Hikes of 14 miles each, The Grand Canyon of over 155 miles, The John Muir Trail of 235 miles, The Golden Eagle of 50 miles, The Golden Arrowhead of 58.8 miles.

The Silver Moccasin of 53 miles, The Silver Knapsack of 48.2 miles, The Powder horn of 60 miles, Mt. San Jacinto (10,805 elev.) of 21 miles, Mt. San Geronimo (11,502) of 24 miles, Mt. Whitney (14,495) of 21 miles, Mt. San Antonio (10,064) of 10 miles, High Sierra Trail of 56.8 miles, The Nine Peaks Trail (San Geronimo, Jepson, Little Charleston, Charleston, Alto Diablo, Shields, Anderson, East San Bernardino Peak and San Bernardino Peak) a 30 mile trail, A high Adventure Backpacker of 50 miles an Explorer Mountaineering hike of 50 miles, The Silver Bear Paw Trail of 60 miles, The Rim of the World Trail of approximately 60 miles, Silver Fir Trail of 60 miles, The Camelback Trail of 30 miles.

The entire Appalachian Trail of over 2,000 miles and the entire Pacific Crest Trail of 2,313 miles.

The hiking began with a 10 miler on June 25, 1970. The troop is taking care of the Training hikes immediately.

Ambrose says that these short training hikes are a basic requirement for all the planned hikes. These hikes will begin to condition the boys for the further hikes planned.

The troop has only eight boys at present. Four of whom were in the troop before it disbanded last year. These boys have had considerable hiking experience.

They are, with mileage of hikes to date: Or-186.5 miles; Robert Oertwig, age 13 with 29 miles; Bill Yahne, age 15 with 51 miles; Selgfried Sonnenburg, age 15 with 92.5 miles.

One of the boys, Gary Oertwig, age 11, transferred from another troop. He has 20 miles and the following three

boys have 15 miles each: Brad Bouch, age 11, James Eagle age 11, and Robert Farrelly age 11.

The troop is open for new members. Any boys in the Upland area who are 11 years of age and interested in joining Scouting are welcome to come to our meeting on Monday nights at 7-8:30. The address is "D" and Third Street.

For information, call Ambrose at 985-5183.

We made it

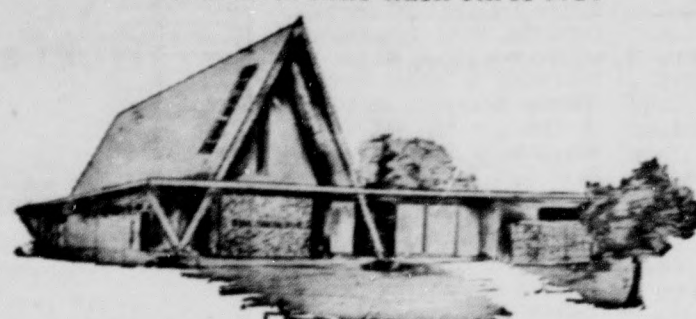

Staking their claim at the Firestone Scout Camp are members of Boy Scout Troop 622, Robert Oertwig, patrol leader, Brad Bouch, James Eagle and Robert Farrelly. They were part of a training hike taken by the troop recently in preparation for taking to the higher trails.

James Deeton weds Millie Barr

James Dewey Deeton III, son of Mr. and Mrs. James Deeton of Montclair, married Millie E. Barr of Aliquippa on July 5, in the church of St. Peter and Paul in Alhambra.

The Rev. Father Gerald Fedyk presided over the afternoon ceremony.

The new Mrs. Deeton was given in marriage by her uncle, Andrew Barr. She is the daughter of Mrs. Dorothy Barr and the late Michael Barr of Aliquippa.

For her wedding the bride chose a gown of white organza over tulle. The empire bodice was of venetian lace. The gown also featured a full length A-line skirt, hand-dyed lantern sleeves of organza, and a cathedral train of the same material. The matching venetian lace head piece held the two tiered English silk illusion veil.

Maid of honor was the bride's sister, Theodora Barr. Bridesmaids were Paula Bauer, the bride's cousin, of Aliquippa; Diane Deeton, the groom's sister, of Los Angeles,

Mrs. James Deeton III

Montclair woman

wed in Las Vegas

Brenda Norris of 9366 Pradera Ave., Montclair, became the bride of Leonard L. Berdan of Santa Monica in a double wedding ceremony on June 27 in the First Presbyterian Church, Las Vegas, Nev.

The Rev. Michael Koehler united the daughter of Mr. and Mrs. Joseph Csordas of Garden Grove and the son of Mrs. William Berdan of Loma Linda and the late Mr. Berdan.

The clergyman also performed the wedding rite for Gail Fender of Oregon when she became the bride of L. William Berdan, the son of Leonard Berdan.

For her wedding the former Mrs. Norris wore a spring yellow street dress with white accessories. Her flowers were white carnations in a corsage.

Her new daughter-in-law, Mrs. Berdan, was honor attendant for the Montclair bride. Berdan's son stood as his best man.

The Leonard Berdans, in turn, stood as attendants for the L. William Berdanas.

A wedding dinner for the Leonard Berdanas will be held Saturday at the Csordas' home in Garden Grove.

The new Mrs. Leonard Berdan is manager of the Dollar - a - Day Rent-a-Car in Ontario. She is a member of the Ontario Chamber of Commerce and the American Business Women's Association. Her husband is an identification technician with the Santa Monica Police Department and formerly was with the El Cajon Police Department.

They are making a home in Santa Monica.

Wendt-Quinn

During a family gathering on June 23, Mr. and Mrs. Lynn C. Wendt of 5636 Banderita St., Montclair, announced the September 5 wedding plans of their daughter Christine Ann and Michael Quinn of Milbrae.

The bride-elect was the valedictorian of her graduating class at Montclair High School in 1968. She is a social science major at the University of California at Riverside and plans to attend San Francisco State University in February of 1971.

Quinn is the son of Mr. and Mrs. George T. Quinn of Milbrae. He is a business education major at San Francisco State University and plans to graduate in 1971 with a B.A. degree.

The future bride groom has served four years with the Air Force. He is a 1961 graduate of Mills High school in Milbrae.

The couple plan to wed in the First Lutheran Church of Ontario.

He is a security guard for the Pinkerton Protective Service of Southern California.

Upland Savings pays the maximum interest on insured savings. No other insured financial institution in America can offer you higher interest or more insurance, because all insured financial institutions' interest and insurance are regulated by governmental regulations.

Upland Savings is a part of America's insured savings system whose total assets exceed \$150,000,000,000.00 (150 billion dollars) and

where, throughout America, over 44,000,000 (44 million) savers save. As a savings counselor, we suggest you look at more than the stated rate of yield of investments. If you had needed to "cash-in" your investment before maturity this past year, you would sustain substantial losses. In 1969 only Upland Savings would have returned your investment plus high earnings.

County Fair

California fairs have become traditional events in the areas where they are held. However, permeating the nostalgia surrounding fairs and becoming evermore evident is the tireless search for the new, the unique and the innovative -- in all fields.

Science and industry, contemporary creative arts, and "now happening" youth programs, are effectively combined with agriculture, floriculture and hobbies and crafts to accurately represent the area and time we live in.

It is this blending of the old and new in a relaxed and congenial atmosphere that is the unique value and appeal of California fairs -- the finest in the world.

The theme of the 1970 San Bernardino County Fair in Victorville, Aug. 6-30 is: "A Tribute to Early California and San Bernardino County." The permanent theme is "A Family Fair".

VA limited

The VA says a recent war, PL 91-241, limits the amount the agency may withhold from veterans' disability compensation checks to recoup military disability severance pay.

Chaffey college gym named for late Sicosky

A competitive place where a Chaffey College staffer put in many of his finest hours now bears the name of Earl ("SI") Sicosky.

To honor the memory of that late, great trainer of Chaffey teams, the Board of Trustees Tuesday designated that place as the Earl Sicosky Gymnasium.

The board voted for the appellation in response to campus and community-wide petitions for such a tribute to the trainer after his death, June 2, 1969. (College policy is to allow a year for consideration of a proposed name for a facility before action may be taken.)

For the last 23 years of his life, Sicosky served the college as a dedicated trainer and its generations of players as a cherished older friend.

Sicosky's widow, Ida, has been a Chaffey employee for the past 8 years.

Delta County Colorado picnic set

The annual Delta County Colorado picnic has been set for Sunday, August 23 from 11 a.m. to 3 p.m.

The event will take place in the Bixby Park, 130 Cherry Ave., Long Beach.

All former residents of Delta County, visiting relatives, friends, husbands, wives and children are invited to attend according to the picnic committee officers.

Participants should bring their own lunches, however, coffee will be furnished.

Enrollment at Cal State closed

Enrollment at California State College, San Bernardino for the fall quarter is closed to all but returning students and unclassified graduates, today announced H. Stephen Prouty, associate dean of admissions and records.

Qualified under the "returning student" category are persons who have been gone from CSCSB for more than one quarter. It does not include students continuing without an interruption or away one quarter, since they are automatically eligible to re-

turn in the next term. The college already has 139 applications from graduate students. The maximum to be accepted for the upcoming term will be 250, Prouty said. Applications were closed earlier in the summer in some majors.

The balance of the majors were closed last week. Already 83 applications from undergraduates have been turned back. Cal State, San Bernardino expects approximately 2300 students for fall quarter, according to the admissions officer.

Upland American

These are representatives of Upland American Little League who took part in tournament play last week. Players include Dennis DiMarzio, Greg Jensen, Steve Springer, Scott Haugan, Eddie Clark, Dough Perry, Frank Pastore, Robin Adair, Steve Hossler, Scott Curry, Ted Van Duin, Mark Chapman, Bryan Jennings, Mark McIntosh, Mark Dell, Bob Smith, Brad Self and Bob Merritt, not all of whom are shown in picture.

Chaffey stages put-down

A play motivated by a madness which makes more sense than ever, will be staged at Chaffey College on the evenings of July 29 through Aug. 1. Curtains will be at 8:30.

The play is "The Madwoman of Chaillot," a satirical rebuke of the establishment by Jean Giraudoux.

This French classic in the annals of the theater of the absurd will be produced and directed by Chaffey's Michael Alexander.

The play, written in the early 1940s, is prophetic in its indictment of the

pressure groups that ravage the environment in the name of progress. By a fantastic reversal of French logic, the tables are turned in favor of humanity.

A Robert Smith film sequence will provide a unique touch to the stage production and a new depth to the action.

Cast as the countess is Lupe Mintz of Upland. Comprising her entourage of other madwomen are Kathleen Meadows and Carol Metzger, both of Ontario, and Pam Albertson, Fontana. Her maid is Candy Stagg, Montclair.

In the roles of power structure characters are Larry Lewis, Chino; Brian Taylor, Alta Loma; John West, Claremont; and Pete Fichera, Montclair. Taking the part of an intended power structure patsy is Tim Batson, Fontana. Don Wheelan, Upland, has the role of a sucker in an establishment conspiracy.

Other principals in this comical castigation of the system are Greg Johnston and Willie Jefferson, both of Ontario, Curt Bradford, Upland; and Lowell Herr, Alta Loma.

Family day

Upland American Little League held family day to finish up the season. Trophies were awarded to the winning teams, then the Tournament Team played a game with the coaches and managers. In another fun game, the Little League Mothers played a softball game with the Minor League Mothers.

Mr. and Mrs. Frank Giella won an ice chest at the family-day program.

Going into tournament action the league standings were:

Manuel's Richfield, 17 wins, 3 losses, 1 tie; Upland Lions, 16-5; Shady Grove, 12-7-2; Fence-craft, 10-9-2; Upland Block, 8-12-1; Pomona First Federal, 7-14; Pacific Rock, 7-14; and McDonald's, 4-17.

Cross country

The following are the results of the July 20 five-mile Chaffey College Cross Country Run:

Ramona church names sermon

The Rev. Neil Coleman of the Ramona Avenue Christian Church, 400 N. Ramona Avenue, LaVerne, will have as his topic for Sunday, August 2: "From the Goodness of One's Heart."

The finance committee of the church met recently in the social hall and considered several items. On July 25, members of the pastor's cabinet met to discuss objectives for the coming year. Those attending were Shelly Jones, Thelma Burger, Gertrude Bendix, Bob Disney, Richard Russell, Elam Carlson, Bill Jaynes, Rev. Neil Coleman and John Brown.

BIG MOUTH... It is a frigid 18 degrees outside, but in the indoor tank of the Coney Island, N.Y., aquarium the temperature, even in the water, is much warmer. The harbor seal roars his approval of the difference.

Marine attends naval school

Marine Private First Class Henry Gonzalez, son of Mr. and Mrs. Enrique Gonzalez of 1936 Twelfth Street, LaVerne, is attending Aviation Electrician's Mate School at the Naval Air Technical Training Center, Naval Air Station, Jacksonville, Fla.

Some animals go faster than one might think. The tortoise can go half a mile an hour, and a charging African elephant has been clocked at more than 24 miles per hour!

Scouting around

Aideshandicapped

Kansas City, Mo.

Susan Sato, Troop 1080, Upland, is one of 20 Senior Girl Scouts from throughout the United States, selected to attend the Aides to Handicapped Girls Event, being held in Missouri July 14 through August 2.

This event is sponsored by the Mid-Continent Council of Girl Scouts.

The girls serve as aides to forty severely handicapped girls, ages 9-21, during a 12-day session in an established camp setting. One purpose of this program is to offer selected Senior Girl Scouts the chance to explore related careers in the field of work with handicapped persons.

Susan is the daughter of Dr. and Mrs. Tada Sato, 1831 N. San Antonio Ave., Upland. She has just completed her Junior year at Upland High School, where she was Vice-President of the "S" Club. She has been active in Girl Scouting for eight years and has served as Patrol Leader, Scribe, Treasurer, and Senior Planning Board Representative. Her hobbies are backpacking, reading, guitar playing and working as a program aide to a troop of younger Girl Scouts.

Summer program

Idling away the summer may be typical of some teens, but not a group of Girl Scouts from Chaffey District of the San Joaquin Council. These Seniors plan to make good use of their vacation time with a "Summer Fun" program at DeAnza Park in Ontario, from 9:30 a.m. to 3 p.m. on July 27, 29, 31 and August 2nd through the 7th.

The Senior Scouts plan to put into practice the ideals of the "Reach Out" and "Action '70" programs, as they give chil-

dren in the locality of South Euclid and Sultana Elementary Schools a planned summer program. The Scouts have scheduled their activities with the purpose of broadening the interests of these children, improving understanding and promoting better group relations among people of different backgrounds.

The "Summer Fun" program will include puppet shows, kite contests, clay and balloon sculptures, finger painting, cook-outs, tie dying and a field trip, along with games. The Seniors

would like all interested children to join in the fun and excitement that go along with camp and summer, on these dates at De Anza Park. There will be no fees involved. The "Summer Fun" program is staffed entirely by Senior Scouts, from troops 1078 and 1080 whose advisors are Mrs. Kyle Karnes of Upland, and Mrs. George Brewitz, of Ontario. Miss Diane Rubino will act as Camp Director, with the Misses Carmela Vignocchi as her assistant, Antonia Vignocchi as nurse, Gail Rogers.

Ramona church names sermon

The Rev. Neil Coleman of the Ramona Avenue Christian Church, 400 N. Ramona Avenue, LaVerne, will have as his topic for Sunday, August 2: "From the Goodness of One's Heart."

The finance committee of the church met recently in the social hall and considered several items. On July 25, members of the pastor's cabinet met to discuss objectives for the coming year. Those attending were Shelly Jones, Thelma Burger, Gertrude Bendix, Bob Disney, Richard Russell, Elam Carlson, Bill Jaynes, Rev. Neil Coleman and John Brown.

BIG MOUTH... It is a frigid 18 degrees outside, but in the indoor tank of the Coney Island, N.Y., aquarium the temperature, even in the water, is much warmer. The harbor seal roars his approval of the difference.

Marine attends naval school

Marine Private First Class Henry Gonzalez, son of Mr. and Mrs. Enrique Gonzalez of 1936 Twelfth Street, LaVerne, is attending Aviation Electrician's Mate School at the Naval Air Technical Training Center, Naval Air Station, Jacksonville, Fla.

Some animals go faster than one might think. The tortoise can go half a mile an hour, and a charging African elephant has been clocked at more than 24 miles per hour!

Scouting around

Aides handicapped

Susan Sato, Troop 1080, Upland, is one of 20 Senior Girl Scouts from throughout the United States, selected to attend the Aides to Handicapped Girls Event, being held in Missouri July 14 through August 2.

This event is sponsored by the Mid-Continent Council of Girl Scouts.

Kansas City, Mo.

The girls serve as aides to forty severely handicapped girls, ages 9-21, during a 12-day session in an established camp setting. One purpose of this program is to offer selected Senior Girl Scouts the chance to explore related careers in the field of work with handicapped persons.

Susan is the daughter of Dr. and Mrs. Tada Sato, 1831 N. San Antonio Ave., Upland. She has just completed her Junior year at Upland High School, where she was Vice-President of the "S" Club. She has been active in Girl Scouting for eight years and has served as Patrol Leader, Scribe, Treasurer, and Senior Planning Board Representative. Her hobbies are backpacking, reading, guitar playing and working as a program aide to a troop of younger Girl Scouts.

Summer program

Idling away the summer may be typical of some teens, but not a group of Girl Scouts from Chaffey District of the Spanish Trails Council. These Seniors plan to make good use of their vacation time with a "Summer Fun" program at DeAnza Park in Ontario, from 9:30 a.m. to 3 p.m. on July 27, 29, 31 and August 2nd through the 7th.

The Senior Scouts plan to put into practice the ideals of the "Reach Out" and "Action '70" programs, as they give children in the locality of South Euclid and Sultana Elementary Schools a planned summer program. The Scouts have scheduled their activities with the purpose of broadening the interests of these children, improving understanding and promoting better group relations among people of different backgrounds.

The "Summer Fun" program will include puppet shows, kite contests, clay and balloon sculptures, finger painting, cook-outs, tie dying and a field trip, along with games. The Seniors would like all interested children to join in the fun and excitement that go along with camp and summer, on these dates at De Anza Park. There will be no fees involved.

## Sweden; years of frustration

By Donald W. Reynolds  
Publisher  
Bonita Publishing Co.

MOTLA, Sweden - Less than a hundred years ago, almost fifty thousand Swedes left their native country for the United States. During the 1880's, 347,000 Swedes emigrated.

It was in 1905 that Sweden and Norway dissolved their union and it was not until 1907 that as many as 20 per cent of Swedes were permitted to vote. It was this generation that established Sweden's jealousy and dislike of the Western World that is so apparent today in their opposition to the United States, its policies and its concept based on rewarding the individual in relation to his ability rather than merely because he is alive.

Sympathy with the American army deserter, recognition of the Viet Cong and attacks on the U.S. Ambassador are only current symptoms of a deep, ingrained dislike.

During World War II Nazi Germany was permitted the transit of military equipment and personnel between Norway and Germany via Sweden and just before the German attack on Russia in June 1941, the transfer of the German division from Norway to Finland over Swedish territory was permitted. And during the war Sweden annually exported ten million tons of iron ore to the Nazis, while the ball bearings produced in Gothenburg's SKF plant powered the German war machine until Hitler's final capitulation.

Today's seven and a half million Swedes are the end product of twenty generations of frustration. In the beginning the ability to swing an over weight battle ax made the Vikings the ter-

ror of Europe much as Attila the Hun had previously conquered Asia. As brains took the place of brawn, their plundering of England and Germany came to an abrupt halt. Just prior to the American and French revolutions, Europe united against the northern pillagers. Fighting continued between Norway, Denmark and Sweden until the emigration, mentioned earlier, stripped Sweden of the cream of its population. Those remaining opted for socialism, which as usual, failed to raise the people to improved standards, but rather lowered them to an acceptable level.

Only nine per cent of the surface of Sweden can be farmed and while most of the farms are small peasant holdings, they are supported by cooperatives marketing organizations. The state and cooperatives own most public works and utilities. Tobacco and alcohol are state monopolies and the state owns a third of the electric supply plant, iron and steel works and controls her greatest resource, timber, through ownership of the major part of the forests.

As is to be expected, the heavy hand of government control, along with the highest tax rate in the Western World, contributes to the frustration. It is small wonder that the dour Swede is unhappy with his way of life and strikes out in every way possible against his more successful free enterprise contemporaries. We will always be on the receiving end of this dislike until we too are pulled down to the Swedish level of socialism, an unfortunate fate towards which we are rapidly moving.

## WEBC enters contest

The West End Boys' Clubs has been entered officially in the Boys' Clubs of America National Safety Poster Competition, in which our local boys compete with Boys' Clubs members from all over the nation in designing safety posters for local, and national prizes. The competition is conducted in cooperation with Howe Services, Inc., of Birmingham, Mich., leaders in supplying safety and quality illuminated programs for industry.

In the first competition, last year, one of the winning Boys' Club posters was found good enough to be used by Howe Services as one of

their regular displays, used by industry in its final form.

National prizes include \$100; \$50; and \$25 for the top three boys. A similar amount will also be given to the Boys Club which enters the boys design in the competition. In addition, should any designs be usable in the Howe program, the boy designing the poster will be given additional compensation.

Rudy Rodriguez, temporary director, of the Boys' Club in our communities, expects some good work from his groups, and hopes that our communities will be well represented in the national awards.

## Crusaders to sing at First Brethren

The Crusaders, a student team from Grace College, Winona Lake, Indiana, will be presented in a special service Thursday night July 30, at 7:30 p.m. in the First Brethren Church, Sixth and White Avenues, La Verne as announced by pastor Rev. Forest Lance.

The ten-voice, male ensemble, under the leadership of Professor Donald Ogden, will sing sacred selections representing such styles as folk song, spiritual, gospel song, and hymn. Many of the selections will be a cappella, others will be accompanied by the piano or guitars. Brass instruments will be featured in

solos and ensembles.

This service will be one of a series of seventy appearances this student team will present in a ten-week tour from coast to coast this summer. As they travel, these college men are seeking to confront other youth and adults with what they believe to be the answer to the lawlessness and rebellion of their generation.

The public is invited.

## Opera performance

Excerpts from seven famous operas will be performed at 8 p.m. July 30, August 1 and 2 in the Margaret Fowler Gardens at Scripps College.

The Margaret Fowler Gardens, in the center of the Scripps campus adjacent to the new Humanities Center, were established in the early 1930's in memory of Mrs. Fowler, a member of the Scripps' original Board of Trustees. Noted for its lovely and unusual plants and flowers, the garden is completely enclosed.

The 26 students currently enrolled in the Scripps College Summer Workshop will climax their studies by performing excerpts from La Boheme, Carmen, Der Freischutz, The Abduction from The Seraglio, Martha, The Marriage of Figaro and Don Pasquale.

Val Stuart, Assistant Professor of Voice at Scripps, is the director and John M. Lilley, Assistant Professor of Music at Claremont Men's, Harvey Mudd, Pitzer and Scripps and Director of the Concert Choir of CMC, HMC, Pitzer and Scripps, the conductor. John Steele Ritter, Professor of Music at Pomona College, will accompany on the piano.

This is the second year of the Workshop sponsored by Scripps College in conjunction with the Claremont Music Festival. Students are studying stage direction of operatic scenes and arias, music and voice pantomime and body movement. They will be in costume for the performance.

The public is invited to attend free of charge.

## PASADENA WOMAN ENJOYS SUMMER WITH HER NEW PAT WALKER FIGURE

"I'm Glad I Have My New Figure This Summer . . . and Reducing with Pat Walker Was So Easy," Says Mrs. Ann Glosson

Mrs. Ann Glosson was a size 14 when she began reducing with Pat Walker. After what she calls "some very expensive and unrewarding experiences," she began reducing with Pat Walker. Mrs. Glosson says "I was very impressed beginning with my first trial treatment, the beautiful salon and the lovely, gracious personnel. I went from a size 14 to a size 8. And me a grandmother, at that! I can tell anyone that the Pat Walker Reducing program is everything they say it is."

In this photo with Pat Walker, Ann Glosson shows off her new figure to Pat Walker. In a very short time, Mrs. Glosson went from a size 14 to a perfect size 8. She says, "I'm simply delighted with my new Pat Walker figure and am enjoying all the compliments of my family and friends. You can only know the joy of looking and feeling simply marvelous by reducing with Pat Walker yourself."

## THERE IS STILL TIME TO REDUCE FOR SUMMER

## MONTCLAIR WOMAN REDUCES FROM BULGING SIZE 52 TO SIZE 14...AND IS STILL GOING DOWN!

Mrs. Rhodes, a nurse, weighed 215½ pounds. She reduced 61 pounds and 76 inches. Mrs. Rhodes says, "I finally decided that since my children are now married that if ever I was going to live a "slim" life I'd better get at it . . . all these years I had wanted to be a tiny petite instead of a size 52 and now that I've reduced so much I can even dream of being a size 9 . . . I can see it in my Pat Walker Crystal Ball."

Mrs. Rhodes, in the photo with Pat Walker, is now a size 14 instead of a size 52. Mrs. Rhodes wrote, "The most pleasant way to reduce which could be dreamed of is what I found at the Pat Walker Salon . . . the new computerized method accurately measures those "inches off" but I really don't need to be shown the results because it is such fun not to be recognized by an old acquaintance and to have to tell them who you are."

## REDUCE NOW AND HAVE A NEW FIGURE FOR SUMMER AND VACATION

## Couple wed in Guasti

The wedding of Miss Louise Thomas of Diamond Bar and Jerome Smiderle of Ontario was solemnized in the San Secondo D'Asi Catholic Church of Guasti.

The Rev. Emil Melee performed the ceremony before 200 guests.

The bride, daughter of Mr. and Mrs. William J. Thomas of Diamond Bar, was escorted to the altar by her father. She wore a gown of organza over peau, fashioned with clipped lace appliques on her fitted bodice, bishop sleeves and skirt.

Her four-tiered bouffant illusion veil was held by a pearl headpiece, and she carried a colonial bouquet of white and yellow roses with baby's breath.

Honor attendant was Miss Betsy Thomas of Diamond Bar. Serving as bridesmaids were Mrs. Dave Netherton of Whittier, Jo Ann Smythe of El Monte and Elaine Thomas of Diamond Bar.

Flower girls were Kimi Freeman of Garden Grove and Kristy Wyman of Pomona.

Robert Morgan of Chino served as best man for the son of Mr. and Mrs. Peter Smiderle of Ontario. Ushers were John Smiderle, Larry Biedebach and Phil Keith, all of Ontario.

The Upland Inn was the setting for a dinner dance which followed the ceremony.

Following a honeymoon at Lake Tahoe and June Lake, the newlyweds are now making their home in Pomona.

The bride is a police clerk in Arcadia. Her husband is a data processor for Northwest Paper, Pomona. His parents were married at the San Secondo Church 29 years ago.
